

MOUNTAIN BIKING Ride Schedule

Rider will need to have a minimum of a hybrid bike with fairly decent tires as we will be going over rocks and rough road and a helmet is a must. Will meet at the Wilbur Trailhead on the Centennial Trail. **You will need a Discover Pass for parking.** The rides will be about 1.25 to 2 hours (might be more stopping depending on participants).

Beginner: Mostly flat, small hills, double track, some maneuverable low-rocky single track. 8 or less mph.

Intermediate: Will also include Intermediate size hills, rocky and twisty single tracks. 8+ mph.

Directions to Trailhead: Take 7 mile road north – take first left after crossing Spokane River bridge – park at second parking lot on right (end of road).

Rain will cancel or extremely muddy conditions. Please call if unsure about weather conditions or for any additional information.

All rides for May and June will be Beginner/Intermediate.
